GEYSER PEAK

WINERY®

FALL / SEPTEMBER 2009

Greetings From Geyser Peak!

Another Harvest has begun and the frenetic pace of the season can be seen everywhere in the Alexander Valley. The lush canopy of leaves on the vines is now revealing the beautiful, ripe fruit that is being carefully picked and rushed to the wineries at the optimum sugar levels. We are proud of the hard work and artistry that results in the fine wines we are able to offer you. Enjoy!

2004 Block Collection Ascentia Vineyard Cabernet Sauvignon, Alexander Valley

Retail Price \$46.00 – Reorder Price \$32.20

Located in the center of Alexander Valley, the vineyard sits in the moderate zone between the cooler, southern end of the appellation, which is cooled by diurnal fogs, and its warmer, northern region. Its undulating hillsides are planted to twenty-five year old Cabernet Sauvignon, including a distinctive parcel, or block, nicknamed “The Wedding Cake,” for a series of stacked, circular terraces. Unusually diverse in its terroir, the ranch’s soil is composed of an array of marine-influenced and volcanic-influenced parent materials. Together with the site’s myriad sun exposures and varying elevations, these characteristics create up to fifteen unique blocks within the vineyard. Each of these blocks is vinified separately, allowing the flexibility to select from a multitude of styles for a wonderfully layered wine. This is a beautifully structured wine that shows typical Ascentia Vineyard characteristics of red cherry, mocha, cedar and vanilla, with freshly tilled earth and spice. The palate is rich and juicy, supported by a framework of cedar oak and fine tannins. Give the wine time to breathe and the tannins broaden out and the palate reveals new nuances of spice and blackberry.

2005 Bin 9 Cabernet Sauvignon, Alexander Valley

RETAIL PRICE \$100.00 – REORDER PRICE \$70.00

The 2005 BIN 9 is a dense, dark, brooding wine of inky crimson color. Unmistakably Cabernet from a classic vintage year and a great follow-up wine to the highly regarded Bin 2 (1995), Bin 5 (1997) and Bin 7 (2001) Cabernet Sauvignons. Intense, concentrated aromas of black berry, black cherry, and cassis combine with sweet cedary oak on the nose. The palate is dominated by ripe, juicy berry and black cherry fruit, followed by powerful but fine-grained tannins. Having undergone extended bottle maturation prior to release, the wine now shows impeccable balance of fruit and tannin. A complex wine that is incredibly long and lingering; this wine is destined to be a California classic, given another five to ten years of bottle maturation. Due to minimal winemaking intervention, this wine will develop a small amount of sediment over time.
